

FAQ: ABOUT DEER RUN CAMPS

IS DEER RUN AFFILIATED WITH A SPECIFIC DENOMINATION?

Deer Run Camps are nondenominational Christ-centered camps which teach fundamentals of God's Word from the Bible.

WHAT IS THE SPIRITUAL EMPHASIS OF THE CAMP?

Deer Run's camp program focuses on creating a positive Christ-centered environment in order to help build strong character in the lives of young people. It is a place to have fun, make friends and learn more about God. We openly promote who God is and share Biblical truths from God's Word throughout the entire camp experience including recreational activities. Every staff member is a follower of Jesus Christ and models Christ-like character. Our staff respects each individual camper's right to make his or her own decision about accepting Christ as his or her Savior.

HOW ARE CAMPERS GROUPED?

Day Camp Groups: Deer Run strives to maintain a 1:6 staff to camper ratio for day camps. Day campers are in small groups by age/grade.

Overnight Camp Groups: Deer Run strives to maintain a 1:8 staff to camper ratio for overnight camps. Overnight campers are in cabin groups by male cabins and female cabins. A minimum of 2 staffers are in a cabin with the campers at all times, regardless of the group size.

HOW ARE CAMP STAFF CHOSEN?

From September to February, Deer Run camp directors make personal visits to college and university campuses across the southeast and midwest to seek out mature Christian college aged students — ages 18 to 25 — who desire to serve in ministry for the summer.

Applicants must exhibit outstanding maturity, leadership and character in order to be a strong role model to campers of all ages. Applicants...

- are personally interviewed by the camp directors,
- submit 3 personal references and
- are thoroughly screened using national background checks.

Camp staff responsibilities include:

- investing themselves in getting to know their campers by engaging them in conversation, listening to them, caring about them and praying for them;
- creating an exciting, engaging environment for God to speak to each camper; and
- committing to the overall success of the camp program by working alongside other staff members to create a positive, memorable and impactful experience for campers.

FAQ: GENERAL CAMP QUESTIONS

CAN MY CHILD ATTEND A DIFFERENT AGE-GRADED CAMP DUE TO HIS/HER MATURITY AND/OR ABILITY?

We believe campers have a more positive experience if he/she is grouped with other campers who are the same age/school grade. Activities and small group Bible studies are designed for specific ages.

DOES DEER RUN OFFER CAMP PROGRAMS FOR CHILDREN WITH SPECIAL NEEDS?

We make every attempt to serve campers who have physical or emotional disabilities. However, the physical setting of hilly terrain and rocky areas makes it challenging for campers with certain physical limitations. Call the camp office at 615.794.2918 to discuss the particular care your camper will require before submitting your registration.

WHAT KIND OF COMMUNICATION WILL I RECEIVE BEFORE CAMP BEGINS?

Approximately 2 weeks prior to the camp start date parents receive an informational email about the first day of camp and how to help make this a successful camp experience for you and your child.

HOW CAN I COMMUNICATE WITH MY CAMPER?

Emergency: If there is an emergency, contact the resident camp director at 615.484.5370. Please limit your communication with the resident camp director to actual emergencies.

Non-Emergency: If you have non-emergency information which needs to be communicated to your camper, Monday through Friday, 8 a.m. to 5 p.m., call the camp office at 615.794.2918 or email Contact@DeerRun.camp.

Your camper will be fully engaged during their

camp experience, so it is not possible for our staff to direct personal, non-emergency calls to campers.

Assume your child is having a great time and trust our staff to contact you if necessary. If an issue arises with your child, the camp director will call you immediately. A camp nurse will contact you about health or injury issues.

MAY I SEND EMAILS TO MY CAMPER?

We have partnered with a company called Bunk1 to provide communication with your camper and an easy way to receive updates from camp, all in one place!

Download the App or use the desktop version to choose a package which will allow you to send "Bunk Notes" to your overnight campers; these will be delivered daily during "mail call."

MAY I SEND LETTERS AND CARE PACKAGES TO MY OVERNIGHT CAMPER?

Campers love receiving packages and mail from their family! Our staff put the package or mail in your camper's cabin.

You can get these to your camper in two ways:

- 1) Give to Deer Run staff at check-in on Sunday, or
- 2) Mail to your camper during their week of camp.

To ensure your camper receives these while they are at camp, mail CARE PACKAGES no later than TUESDAY and mail LETTERS no later than WEDNESDAY.

FAQ: HEALTH, SAFETY, SNACKS, CAMPER MEALS

WHAT DOES DEER RUN DO & WHAT CAN I DO TO ENSURE HEALTH AND SAFETY?

First, parents or guardians can help prevent the spread of sickness by keeping children at home when they have been diagnosed or show signs of illness – particularly illness which can be spread to other campers.

Deer Run staff take every precaution to protect campers from sickness or injury. Camp staff are trained in safety, basic first aid and accident prevention. Certified, licensed nurses are on site during each camp session to handle injuries, administer over-the-counter meds as needed plus administer prescribed meds which campers bring to camp.

You can find information on our safety protocols by going [here](#) and clicking the + next to SAFETY FOR 2021 CAMPS.

HOW DOES DEER RUN ENSURE CAMPERS GET PLENTY OF FLUIDS?

Water fountains and water coolers are located throughout the camp property. Water breaks are scheduled to help ensure campers do not experience dehydration.

MY CHILD IS NOT A SWIMMER OR NOT A STRONG SWIMMER. HOW IS LAKE TIME SUPERVISED?

Certified lifeguards are on duty during all scheduled lake activities. Additionally, camp staff accompany their campers when they are in the lake.

All campers, regardless of swimming ability, are required to wear a life jacket at all times while in or near the lake and the pool. Life jackets are provided by Deer Run and are properly fitted to the campers before entering the water.

MAY MY CHILD BRING SNACKS?

Campers may bring snacks for Day Camp and/or Overnight Camp. However, due to allergies, campers are not allowed to share their snacks.

Snacks brought to Overnight Camp or sent in care packages should be in a sealed Tupperware container to prevent camp critters from sneaking into the cabins!

All campers have a scheduled time each day to visit the Camp Store for purchasing snacks. Healthy options are available in the Camp Store.

WHAT TYPE OF MEALS ARE SERVED TO OVERNIGHT CAMPERS? HOW ARE FOOD ALLERGIES HANDLED?

Our chefs prepare nutritious, healthy meals which are kid and teen friendly. Information regarding your camper's food allergies should be included in your account. You can update allergy info in your camper's account at any time.

Our Food Service Director runs a report for each overnight camp session and makes adjustments for specific camper allergies. However, Deer Run may not be able to accommodate ALL allergies and dietary restrictions; and we cannot prevent, nor guarantee, a cross-contamination-free environment. Call the office at 615.794.2918 if you have concerns about your child's diet.

Campers should also accept responsibility for adhering to their specific diets.
