

CAMPER BUS TRANSPORTATION POLICIES

MORNING DROP OFF

Campers should be at the location **at least 10 minutes before** the scheduled pick up time.

Allow extra time in your schedule on Monday morning for camper check-in.

AFTERNOON PICK UP

The person picking up a camper should be at the location **at least 10 minutes before** the scheduled drop-off time.

The person picking up a camper **MUST** have the camper pickup code and is **REQUIRED** to show or say the code to Deer Run staff each day at checkout in order for the camper(s) to be released to them. A camper will not be released to someone even if the staff recognize them and have seen them each day of pick up without the camper pickup code.

If the person picking up your camper(s) does not have the camper pickup code, they will be asked step out of the line to contact the parent or guardian of the camper to retrieve the code. However, the bus cannot wait if the parent or guardian does not answer the phone and it is time to move on to the next stop. In this case, the camper(s) will not be released and will need to be picked up at camp by the parent, guardian or person who is able to say or show the camper pickup code.

LOCATIONS & SCHEDULE

Subject to change. If a change is made to the schedule, you will be contacted by email at least 1 week prior to the camp start date.

REQUEST FOR DIFFERENT DROP OFF & PICK UP LOCATIONS

If your camper needs to be picked up in the morning at one location and dropped off in the afternoon at a different location, both locations need to be selected in the online registration and each paid for to reserve a seat on the vehicle at both locations.

BUS COMMANDERS

A minimum of two Deer Run Bus Commanders are on each vehicle. Bus Commanders check-in and check-out campers at each bus stop plus supervise campers and monitor behavior on the ride to and from camp.
